that hold those coins with Celsius earn the yield let it grow. Let it compound and then you know with the magic of cryptocurrency keeps saying machine. I promise you like we we're throwing money into you. We're giving you 50 dollars so you will try to get four interest payments from us. All we asking for you is 30 days right? We're gonna pay you interest four times right in the month. This four weeks four times you're gonna get interest and it's gonna change you. It's gonna change

Google provides "live captions". Go to settings, advanced options, accessibility.

It's also easy to generate a transcript. We generate one every Friday.
